**A one day workshop on 'How to be an Officer through Competitive Examination'**

**In Collaboration with Reliable Academy, Aurangabad**

**27-09-2017**

**Report**

**Session I -Inauguration:** The workshop was inaugurated at the auspicious hands of Hon. Shri. Vishwas Patil, Director, MSP Mandal and LGC, Vinayakrao Patil Mahavidyalaya, Vaijapur at 11:00 am in Swami Vivekananda Auditorium. In his remark, he said that the aim of the workshop is to motivate the rural students prepare and crack the competitive examinations. Dr. S. A. Kamble., Principal, welcomed the dignitaries and students and said that the competitive examination offers great opportunities to rural students.

**Session II – Dr. Dhananjay Akat, Director, Reliable Academy, Aurangabad:** He delivered a lecture on 'State Prelim: Key to Success'. He started his lecture with an anecdote wherein a young prince was drowning in a river and no one dare rescue him. All of a sudden a young man was pushed and after falling into the water he rescued the young prince. Dr. Dhananjay Akat pointed out that in the world of competitive exam 'push' matters. He said that Reliable Academy provides such a push.

While talking about the technical aspect of the lecture he said that the main examination is important. It is an objective examination that covers a wide array of topics like politics, economics, current affairs, science, technology, mathematics, agriculture, logical reasoning etc. According to Dr. Akat, the aspirants do not devote equal time to all the components. There are components that require drill and there are components that we can master simply by watching TV or reading newspapers. The careful analysis of the previous question papers help us understand what the recurrent areas in the question paper are, but it has its limit. There is no short cut to success. It should be a mission for you.

He also shared a list of quality books that paves the way to success. He also explained the fast reading and comprehension techniques to the participants. He pointed out that while preparing for preliminary examination, a sort of foundation is created. He admired the efforts of Competitive Examination Guidance Cell of Vinayakrao Patil Mahavidyalaya too.

At the end of the Programme, Prof. V. R. Parsode, Coordinator, Competitive Examination Cell, proposed the vote of thanks. 236 students participated in the workshop.
