Department of Chemistry
One day NET-SET Guidance Workshop for M. Sc. Students on the topic of Inorganic
Chemistry
01/02/2020
Report

The Department of Chemistry organized NET-SET Guidance Workshop on Inorganic Chemistry for the M.Sc. Students. Dr. Pankaj Naikwadi, Department of Chemistry, Agasti Art, Commerce and Dadasaheb Rupawate Science College, Akole, Sangamner, was invited as a resource person for this workshop. The program was started at 10.00 am on Saturday, 01/02/2020. Dr. Pankaj Naikwadi was welcomed by Dr. A. M. Zine by offering a book as a token of love. Mr. J. P. Sonar introduced the resource person. The workshop was organized in two sessions i.e. morning session (10.00 am to 1.00 pm) and afternoon session (2.00 to 5.00 pm).

In the first session, he guided the students about 'Preparation of NET SET in Chemistry'. He elaborated the concepts in complex formation, cluster compounds, complex reactions, chelation, Periodic properties of periodic table elements, CFT, Charge transfer spectra.

In second session, he explained in detail 'Electrocyclic Reactions and Organometallic Reactions'. He explained various tricks to remember the reactions. He illustrated with suitable examples the hardness level of the examination and suggested appropriate techniques to overcome them. He also shared the study techniques wherein the students can learn more in short time. He took up some of the important questions asked in the previous question papers. At the end of the session he threw the session open and students asked hi doubts and questions about the examination and the syllabus components. He answered them to their satisfaction. 45 students participated in this workshop.
