Study Tour to Infosys, Pune
Organized by
Training and Placement Cell
20-01-2018

Training & Placement Cell had organized an industrial visit for final year students on the 20th January 2018. The students visited the Infosys Campus, Pune.

As the Infosys Campus is located in Pune which is 240 km from the college campus, the students started at 5 am early in the morning. As the students reached here at 10 am, it was received by the Infosys Campus connect Admin Mr. Joseph Rudolf Monis, Senior Associate Lead, HR – CSR, Infosys, Pune. He gave briefing about the history and formation of Infosys through a video presentation in which he narrated how Infosys started in a small room located in Mumbai to a multi-billion multinational. He also added that Infosys is a very socially committed company that follows a set of ethical practices. He also called upon the students that for a high level of job satisfaction, professional growth and success, Infosys is always a good choice. After the presentation was over, he delivered a session on industry expectation and skill requirements for the student's campus placement. It was very insightful for the students.

Later, the group was taken on a campus tour. The students were introduced and also allowed to interact with the employees working in some of the departments. At the end of the campus tour, the students had their lunch in Infosys Canteen. During the tour, all the students jotted down whatever they saw worth noting at the Infosys. Their impressions were submitted to the Training and Placement office on the following day. After having a good lunch, the students boarded the bus to come back to college.
