

Guest Lecture on Career Guidance

A guest lecture for UG and PG students on the topic “**Career after Graduation**” was organized by the Training and Placement Cell in collaboration with Maitree Institute of Management on 26th September 2018 at Swami Vivekananda Hall. The speaker was Prof. Anil Thore. He delivered a lecture on ‘ICT Competencies for Job Prospects’.

He opened his talk by asking questions about ICT to the students. He concluded that thanks to the digital revolution, the students living in rural areas too have got good exposure to computer, internet and data management. He further said that the knowledge of ICT is the backbone in today’s digital era. Students should know the fundamentals of ICT in order to better their job possibilities. He further said that operating computer with MS Word, Excel, PPT, email writing etc. are essential for the UG students if they wish to secure jobs after graduation. He said that the course like MSCIT is excellent platform for the students. With daily practice one can improve typing, written communication and data management skills. He advised the students that the Department of Computer Science, BCS and Management Science have expertise in this area and students should feel free in order to avail to these resources. He asked the students to participate in the ICT activities of the departments.
