Staff Academy organised Dr. Sunil Dahale's Lecture on a topic
"Hindi Language: Today and Tomorrow"
on Tuesday, 1st September, 2016 at 2:30 pm to 3:30 pm

A R E P O R T

On 1st September, 2016 the Staff Academy organised a lecture of Dr. Sunil Dahale, Department of Hindi on a topic Hindi Language Today and Tomorrow. Dr. B. R. Dhapase, Professor and Head of Hindi department gave an introductory speech and shared the achievements of the speaker. In the beginning of his speech, Dr. Sunil Dahale pointed out that in the world of 196 countries 7,100 languages are spoken. Each and every one of them make the world a diverse and beautiful place. Sadly, some of these languages are less widely spoken than others. Mandarin Chinese, Spanish, English, Hindi-Urdu, Arabic, Bengali, Portuguese, Russian, Japanese, Western Punjab are the 10 most spoken languages in the world. In his speech he discussed the importance of the Hindi language as the national language of the country. He also pointed out that in the country 70% of the total population speak and understand Hindi language. In his deliberations he pointed out that the importance of Hindi language in various universities. It has been added in the curriculum of the university. Even as there is a call to make Hindi a common language across the country, we find out how relevant is the language in various aspects of our daily lives in today's globalized world. The Hindi language is developing fast and talented technician are trying their best to create various software to develop the language but the distressing thing is that some people creating hindrances in the progressive path of the language. He also pointed out that the internal politics of our country creates obstacles in the way of the importance and progress of the language.

Language has always been the landscape of political power-plays since the bygone era. History testifies how a language broke barriers to unify people with the same tongue and even built barricades of resistance when it came to protecting the sanctity of its pristine form. The country stands witness to one of the very rare incidents in history where people sacrificed lives to uphold the dignity of their mother tongue and preserve their cultural heritage. After his lecture teachers from different faculties asked questions which were answered satisfactorily.

Faculties from different departments were present for the lecture. At the end Dr. B.R. Dhapase proposed vote of thanks.
