**REPORT**

The students of BA Economics Programme organized industry visit on 02-03-2019. 10 students along with 03 teachers visited Bhagyoday Agro Industry. The team of students were given best wishes by Vice Principal Dr. Dadasaheb Salunke, who also advised them to interact with the industry people and not down important points in their note pads. The students reached the industry at 11.00 am. Dr. S. N. Babar, Prof. V. R. Parsode and Prof. Yogita Rahane accompanied the students. The team was welcomed by Shri. Shantilal Pahade, the Director, Bhagyoday Industries. Mr. Singh, Grader and Field Officer, introduced the students with the process of cotton buying, seed separating, oil extracting, preparing residue cakes and packaging. He said that there is a continuous chain and we need a lot of coordination in this process. He also informed that as the quality of product is excellent, the material is exported to foreign countries. Mr. Sharad Paleja, Administrative Officer, explained the work done in packing Department. Mr. Rahul Gaikwad, Field Officer, said that during the cotton season they have to work extra hours. He said that they have provided employment to more than 300 people at their industry. They led the students to soybean oil extraction unit. They also showed the students how soybean oil is extracted, filtered and filled in containers. The students also learned about the packing house processes. The students also interacted with the employees at work. They realized that they can also start small industry even in a small village and generate employment for the village people. It was a learning experience for the students. Dr. S. N. Babar thanked the staff and management for their support and cooperation.
