Study Tour to Model Village Patoda and Mahaexpo**

11-01-2020

REPORT

The students of BA Economics Programme organized industry visit on 11-01-2020. 14 students along with 03 teachers visited Patoda village which has been awarded as the Model Village by the Government of Maharashtra. The team of students were given best wishes by Vice Principal Dr. Dadasaheb Salunke, who also advised them to interact with the industry people and not down important points in their note pads.

The students reached the industry at 11.00 am at the village and they were welcomed by Sarpanch Mr. Bhaskar Pehere. He addressed the students at the Grampanchayat Office. He said that rural development has been a much debated issue in Maharashtra. It is so because the village people desperately need economic empowerment. He said that there are many funding schemes for the economic development of the villages. He made it clear that there is a dire need of young, educated and hardworking people at village level. He concluded that if we write an action plan and work accordingly with the people's participation, the villages can be transformed easily. The students were surprised to see the water conservation, water management, sanitation and other facilities at the villages.

In the afternoon the students visited MAHAEXPO organized by Marathwada Chambers. The students visited the stalls. The Maitri Stall was very interesting. The organizer explained the ways to skip the licence formalities for obtaining permission to start new industry. She said that we need spend only Rs. 23 in order to do away with the traditional licence formalities. The stall by Kalpesh Energy Solution was also thought provoking. They students knew about the process of installing Green Star Biogas Plant. The students visited robotic stall, handicraft stall, agro-processing stall etc. They also interacted with the industry representatives and were fascinated by the young entrepreneurs who have vibrant ideas
