CELEBRATED VACHAN PRERANA DIN**

**On the Occasion of  
BIRTH ANNIVERSARY OF DR. A.P.J.ABDUL KALAM (15<sup>th</sup> October 2019)  
REPORT**

The atmosphere of Vinayakrao Patil Mahavidyalaya got charged while celebrating the birth anniversary of Dr. APJ Abdul Kalam as '**Vachan Prerana Din**' on **15 October 2019**. Shri. Appasaheb Patil, Member, CDC, offered flowers to the image of Dr. APJ Abdul Kalam.

On this occasion Dr. Bhimrao Jadhav, Assistant Professor, Department of Zoology, delivered an informative lecture on 'Dr. APJ Abdul Kalam: A Celebrated Author'. He quoted 'Wings of Fire' in which Dr. APJ admitted that before writing the book he had the apprehension that his story might not impress the readers. However, the books proved very motivational to the people. He talked about the books like India 2020: A Vision for the New Millennium, Ignited Minds, Guiding Souls, Mission India, Inspiring Thoughts, You are born to Blossom, The Scientific India, Target 3 Billion, Turning Points, Spirit of India. According to him, Dr. APJ Abdul Kalam's words are simple but meaningful. Anyone can easily comprehend his ideas. He is very positive. He shares his associations with simple people who work hard.

Dr. A. P. J. Abdul Kalam was born in Rameshwaram. He had a very humble background. However, in an adverse condition he continued to gain knowledge from the books. He knew that by reading books one can do anything; nothing is impossible; even sky is not the limit. He served as the 11th President of India from 2002 to 2007, and widely referred to 'People's President'. He dedicated 40 years of his life as a scientist and science administrator predominantly at DRDO and ISRO. He involved himself in India's space programme and military missile development. He played an important role in Pokhran-II nuclear tests, 1998. Books were given as rewards to the top five users of the year. Shri. Appasaheb Patil, congratulated the users for their comprehensive reading. Mrs. M. V. Patil, Assistant Librarian, proposed the vote of thanks.
