Tree Plantation Drive
Organized by
National Cadet Corps and Green Club
In collaboration with Vaijapur Doctors' Association
08 to 22 July 2019
REPORT

National Cadet Corps (NCC) and Green Club, Vinayakrao Patil Mahavidyalaya, Vaijapur and Doctors' Association, Vaijapur jointly organized tree plantation drive in the college campus. This drive was organized from 08 to 22 July 2019. The tree plantation drive was conducted with an aim to control global warming, make environment pollution free and spread awareness on the importance of keeping a clean environment.

On the drive day, cadets, students and teachers were assembled in the college garden near library at 10.30 am. This drive was inaugurated by Dr. Sudhir Shelke, Dr. Deepmala Marmat, Dr. Chaitanya Tambe and Dr. Mrs. Rahane by planting mango trees. Shri. Appasaheb Patil, Member, CDC and Dr. Uttam Panchal, Principal, Vinayakrao Patil Mahavidyalaya, Vaijapur were also present. Similarly, the members of Vaijapur medical council were present on the occasion. Shri. Appasaheb Patil said that tree plantation is very important in today's context. He said that the college has been known in Maharashtra for its greenery. Over the last five years, the college has planted about 500 saplings. He said that the institute has a Botanical Garden that shelters fifty rare herbs. So the college also shelters a variety of birds.

Dr. U. V. Panchal said that planting a sapling is very easy; it takes willpower and effort to grow it. As the college is located in the drought prone area, we have to outsource water at the time of drought. Still the teachers and students work hard to maintain greenery in the campus. He explained the importance of tree plantation for keeping a clean environment. He said that by planting saplings we really contribute to the nature.

The members of Vaijapur Medical Council brought various saplings including Ashoka, Neem, Mango, Saptarni, Kadamb and Kachnaar. The students participated in the drive enthusiastically and helped each other in planting the saplings. All the saplings were planted in the college campus by the cadets and students. The students along with the teachers also took an oath to look after the planted saplings.
