Blood Donation Camp (12 January 2024)

A Blood donation camp was organized by NCC department, in collaboration with NSS unit on the occasion of "National Youth Day" (12 January). This camp was inaugurated by Principal Dr. Shivajirao Thore. In his inaugural speech he explained the importance of blood donation. He also narrated that, India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated.

A team of doctors and nurses of Sanjivani Blood Bank, Kopergaon came for collection of blood. About 31 volunteers including students and staff of the university had volunteered for donating blood. A Certificate of appreciation, donation card, refreshment and a token of respect was given to each donor as a token of gratitude.

Objectives of Blood Donation Camp-

- To collect blood units but also to make students aware about blood and its benefits.
- It was an effort to motivate students to come forward and donate for this noble cause.
- First time donors need to be encouraged so that once the initial hesitation/ fear goes away, the donor will look forward to such camps in near future too.
- To help anyone, in case of any requirement for blood.
