**BLOOD DONATION
CAMP**

(01 September 2018)

Gift of blood is gift of life

Be a life saver. Donate blood

Dear All,

As you know blood donation is the highest kind of donation in the world, it's our solemn duty to donate blood on the occasion of the Birth Anniversary of Hon'ble Vinayakrao Patil the founder of our Institute. To commemorate this important day, I call upon you all to come forward and donate blood. Everyday thousands of people need blood. Remember that blood donation causes no harm. So join the noble cause. When you donate blood, you actually save a life.

Blood Donation Camp

(01 September 2018)

REPORT

As Vinayakrao Patil Mahavidyalaya commemorated the Birth Anniversary of Hon'ble Vinayakrao Patil lovingly called as Anna 01/09/2018, National Service Scheme (NSS) celebrated it in a unique way. True to its motto – Not Me But You – the unit organized Blood Donation Camp. The aim of this camp was not just to collect blood but also to sensitize the young generation about the importance of blood donation.

Students were informed about it through a notice and an informative and motivating brochure. The NSS volunteers went round the classes during recesses and acquainted the students about the camp. On the camp day, the students and teachers were enthusiastic. They assembled in the Stadium at 10.30 am. The Programme Officer, Dr. K. P. Bholane, gave a brief introduction about the camp. Later, he welcomed the Doctors and his team with bouquets. Later the doctor gave detail information about the process. He ensured that the donors were in good health and had their meals. Dr. Kavita Sarvar congratulated the students for having come forward to donate blood. He narrated the blood status in India and highlighted that we need to take blood donation seriously. He also drove away some of the misconceptions and superstitions with regard to blood donation. He explained that some people think that after blood donation you lose your weight and immunity and that it takes years to make up the loss. He gave the following instructions to the aspiring donors:

- He/she must weigh 50 kg or above.
- He/she has not donated blood during the last three months.
- He/she has not been under medication during last three months.
- He she does not have cold, cough or fever.
- He/she has no serious illness

An HB test was conducted. Each donor donated 250 ml of blood. After the donation, the donor was asked to rest on the cot under the supervision of the medical experts. They were given tea, coffee, biscuits, apples etc. 50 donors donated blood during this camp. The NSS unit got a certificate of recognition while certificates were issues to the donors. This activity brought about an attitudinal change in the students. Dr. Neha Patil, Dr. Renuka Outi, Rameshwar Shete, Sunil Shirsat, Mr. Habib Pathan, Mr. Yogesh Tribhuwan, staff, Sanjivani Blood Bank, Kopargaon, assisted for the smooth conduct of the camp. The NSS PO proposed the Vote of Thanks
