Lecture by Prof. V. S. Doke on Importance of Casting Vote in Democracy
REPORT**

NSS of Vinayakrao Patil Mahavidyalaya, Vaijapur celebrated the National Voters Day on 25-01-2017. Prof. V. S. Doke highlighted the importance of casting vote in democracy. He said that India is a very powerful democracy and in order to create a conducive atmosphere for democracy to flourish, it is important that the citizens are always conscious of their rights and duties. In this regard, he said that elections play an important role. It is through the representative democracy that the people of India elect their government which has the mandate to be in office for a period of five years. There is the Election Commission which ensures that elections are held in free and fair atmosphere. However, many times we see that not all the eligible people cast the votes. That's why the overall percentage of voting is somewhere around 60 to 70% percent

He added that in this situation the students can play an important role. They can register in the electoral lists and vote on the election day. They can also generate awareness about voting in their neighbourhood. The students took the following pledge:

“We, the citizens of India, having abiding faith in democracy, hereby pledge to uphold the democratic traditions of our country and the dignity of free, fair and peaceful elections, and to vote in every election fearlessly and without being influenced by considerations of religion, race, caste, community, language or any inducement.”

At the end, A. R. Kasbe proposed the vote of thanks.
