Lecture on 'NSS and National Integration' by Dr. K. P. Bholane (02-02-2017)

REPORT

Dr. K. P. Bholane, NSS, Programme Officer, sensitized the students about 'NSS and National Integration' on 02-02-2017. Sachin Kailas Bhorkade, B. Com. III, welcomed and introduced the resource person.

Dr. Bholane said that a country like India needs national integration because ever since our independence, we have to encounter evils like communalism, casteism, regionalism, language chauvinism and narrow-mindedness. The makers of the constitution had this in mind and they considered common citizenship, unity in diversity, freedom of religions, secularism, equality, justice-social-economic and political, and fraternity among all communities etc. as the foundation of our constitution.

He says that though our progress is marred by sporadic incidents of communal violence, our belief in secularism has remained unshaken. The majority of the people in our country believe in 'unity in diversity'. In the new era, we have a new set of problems.

Dr. Bholane reiterated that NSS offers students opportunities to understand the diversity that prevails in India. We work in different villages and meet people of different religions. Moreover, we get an opportunity to study the culture of the people. We understand their aspirations and concerns. Every village is a unique entity.

He informed the students that 'National Integration Camp' is an important activity organized by the NSS at national level. It is a weeklong camp that accommodates 200 volunteers and conducts activities fostering national integration. The main objective of the camp is to acquaint the students with the rich cultural diversity, history of our diversified culture, integration of the nation through social service etc. He called upon the students to participate in such activities.

He called upon the students to cultivate tolerance and harmony. He shared some of the examples of religious harmony from the history and added that when we say that we are the most vibrant democracy we have an added responsibility. How we treat the other sections of society is an important matter. Social cohesion is the need of the hour. We have to educate the people and bring them in the mainstream. Sandip Dilip Dive, B. Com. II, conducted the proceeding and proposed the vote of thanks.
