Lecture on 'NSS for Self-Discipline' by Dr. U. V. Panchal (26-12-2017)

REPORT

Dr. U. V. Panchal, Principal, Vinayakrao Patil Mahavidyalaya, Vaijapur, interacted with the volunteers on 26-12-2017 at the NSS Camp venue and he emphasized on 'Self-Discipline' which he termed as the identity of NSS volunteers. Rupali Raju Magar, B. Com. III, welcomed and introduced the resource person. He further said that the students of Vinayakrao Patil Mahavidyalaya are known for their self-discipline and commitment. In fact, this institute has been founded by Late Vinayakrao Patil who was a disciplined person. He was born in a small village in this tehsil itself and his father was a farmer. So he has a lot of similarities with you. But on the strength of his consistent self-discipline, he could show a new direction to the people of this tehsil.

He said that the NSS volunteers carry out a lot of physical work. In whatever they do they have to show high level of discipline. You may take it lightly while performing the task, but its value is more important. For example, during the camp days, you have to wake up at 5 am and get ready for the work. This is also a lesson of discipline. An NSS volunteer is very active and full of energy because he consumes a balanced diet and do physical activity. If you follow this type of routine in future life, you will achieve success in your life. Throughout the year you engage in a variety of societal activities. You may feel that when you plant a tree, you learn nothing. You can look at this act from an entirely different perspective. Planting a tree required will power, love for environment and desire to do something. When you dig the earth, you learn the dignity of labour and this is a very important life skill. No job is inferior, you have to be ready to do any job that gives you satisfaction. NSS, helps you became a disciplined citizens.

Working in unison for cleaning the village, a sense of coordination also develops. It is not a one man show. Boys and girls work together to complete the work. You also develops sympathy and affection for your friends. So working in NSS means learning a disciplined life. That's why NSS volunteers never feel dejected in life; they are always positive. They are disciplined themselves and they pass the same discipline to their villages. Prasad Rameshwar, Gaikwad, B. Com. III, proposed the vote of thanks. Ganesh Babasaheb Kale, B. A. I, conducted the proceeding.
