**Lecture by on 'Plastic Ban' by Mr. Jayant Sonar (31-12-2017)**

**Report**

Mr. Jayant Sonar, Assistant Professor, Department of Chemistry, addressed the students with the topic 'Plastic Ban'. Babita Hansraj Jagtap, B. Sc. II, welcomed and introduced the resource person. He said that plastic bags has been a menace in the last four decades. He further added that in India the use of polythene bags has on the increase during the last 40 years. Earlier, polythene bags were used in urban areas. In cities people used to carry cotton bag for shopping in the past. Their life was normal without the presence of polythene. However, the situation slowly deteriorated and then food stuff was also wrapped in plastic. Now milk is also packed in plastic bag. Polythene is made up of fossil fuel and so harmful to environment. Now the problem is not restricted to urban areas alone. In small villages we use the increased use of plastic.

As a result, the polythene waste is causing serious damage to our environment. In big cities like Mumbai which face the problem of water logging in rainy season. The plastic waste chokes the manholes and so water logging happens. This plastic is also consumed by animals and so they also die. The plastic floating in seas proves dangerous to fish, turtles and other aquatic animals. Many countries face the problem of plastic disposal. So it is thrown into the natural resources. Every decade the plastic production increases by 40% and this is indeed an alarming situation.

Dr. Bhimrao Jadhav called upon the students not to use polythene bags. In many stores, polythene bags are easily available. Chocolate, biscuits, chips, medicines are also wrapped in plastic. However, we can find alternatives. Mineral water is also packed in plastic bottles. We can avoid it. The government has passed an act to control the plastic use. But public response is important. If we all join hands we can save our environment. Shubhangi Jalindar Kadam, B. Com. III, proposed the vote of thanks. Jayashree Sriram Shinde, B. A. II, conducted the proceeding.
