REPORT

The Department of Physics & Science forum organized an online one-day lecture on "Role of students in science contribution" on 28th February, 2021. The objective of lecture was to embedded science attitude among the students for national interest. Dr. Sonar J.P. coordinator of the science forum, explained the main the science contribution in national development. Dr. Lone B.G, Head, Department of Physics, Vinayakrao Patil Mahavidyalaya, explained key purpose of one day online lecture and welcomed all student participants connected remotely by zoom platform.

We invited Prof. Dr. Mahendra Shirsat, resource persons for the said event. The session was commenced at 11:30 p.m., Dr. Mahendra Shirsat, delivered his lecture by addressing the need to understand science in various aspect of life. Science enables us to progress in every field development including electricity, T.V., trains, aeroplane, computers, mobiles, space science, health science equipment's to perform various critical operations. To make carrier in the science is challenging to students, he suggested the suitable fields in science to opt for further study to complete their degrees in respective science subjects.

Overall, the session was informative. There was Q and A session, Dr. Mahendra Shirsat answered in brief of each asked questions by participants. The total 74 participants were attended the said event

At the end of session, Principal, Dr. Zine A.M., Principal, Vinayakrao Patil Mahavidyalaya, Vijapur, delivered the presidential address. He attributed the need of science role in everyday life. However, further he suggested student must study sincerely and make bright carrier in the various branches of science. Furthermore, He said that student must be punctual, attentive and discipline in life. The session was concluded by, Dr. Bhimrao Jadhav, Assistant Professor, Department of Zoology with vote of thanks.
