Report**

Maharashtra Foundation Day was celebrated on 01-05-2018 in Vinayakrao Patil Mahavidyalaya with pomp and reverence. To commemorate the event, the national flag was hoisted by Shri. Vishwas patil, Member, LGC and Central Executive Council, MSP Mandal, Aurangabad. Students, teachers and citizens were present on the occasion. Shri. Vishwas Patil extended his greetings and best wishes to one and all and said that Maharashtra State has always given a yeoman's service to the nation. Ours is a very progressive state. During the freedom struggle, a large number of freedom fighters from Maharashtra participated and also laid down their lives. Swatantryaveer Sawarkar, Dadabhai Nouraji, Dr. Babasaheb Ambedkar, Vinoba Bhave, Ranade, Babu Genu, Khaparde, Umaji Naik, Tatyapa Tope, Krantisingh Nana Patil and many others fought for our independence. It is the day to remember their sacrifice.

Dr. U. V. Panchal, Principal, said that 'Our Maharashtra' is progressive because it had been to the forefront in the field of social reforms. Mahatma Phule, Savitribai Phule, Maharshi Dhondo Keshav Karve, Annabhau Sathe, Dr. Babasaheb Ambedkar are some of them. In fact, they were educated and had all bright future. But they did not think about their own welfare and progress. Instead they thought of the plight of the people around them. They fought against the social and cultural evils prevalent in the society. Thanks to their hard work, today we live happily and peacefully. We have to follow their ideals today. It is high time that we unite and fight against the evils like terrorism, caste-discrimination, corruption, provincialism etc.
