The Republic Day was celebrated with pomp and reverence by Vinayakrao Patil Mahavidyalaya, Vaijapur on 26 January 2020. At 07:50 am the national flag was unfurled on the college building and the teachers and students gave a huge applause. The national anthem filled the atmosphere with patriotic sense. The NCC cadets performed March Past and saluted the national flag. A guard of honor was extended to the national flag. Dr. V. R. Parsode, Assistant Professor, Department of Political Science, read out the Preamble to the Constitution.

Shri. Appasaheb Patil, Member, College Development Committee and Central Executive Council, Marathwada Shikshan Prasarak Mandal, Aurangabad, gave best wishes on the occasion of the Republic Day. He talked about the achievements of our republic nation over the last seventy years. He said that India, being the most vibrant democracy in the world followed the path of progress in the lime light of constitution. He said that we became a republic nation on 26 January 1950 because from that day the Constitution came into effect. He narrated that the constitution states the fundamental rights, duties and procedures for democratic procedures. It designates 'welfare state' as the goal. True to this spirit, reforms have been taking place in all walks of life. Only when we see the plight of people living in Africa and Middle East that we realize that we are very fortunate to be the citizens of India. The people in that part of the world live under constant threat. The autocratic rulers deprive people of their fundamental rights. The participation of people in democratic processes is a characteristic of our strong democratic set up. We must thanks the freedom fighters and the makers of the Constitution that safeguards the fundamental rights.

In his presidential address, Dr. U. V. Panchal, said that through the seventy years of Republic, we have achieved splendid progress in the social, political, economic, cultural spheres. It is possible because we are a republic. He said that the people have control on the Government. They elect the representatives and decide the mandate. This is a very powerful tool given by the constitution. Dr. S. K. Rathod, proposed the vote of thanks.
