**REPORT**

Department of Political Science series on “An Introduction to Important Laws” in collaboration with college Internal Quality Assurance Cell. Prof. V. S. Dokhe, Head, Department of Political Science, delivered a lecture on ‘World Peace and Disarmament’ on 27/12/2021. Prof. Abasaheb Kasbe, Assistant Professor, welcomed the participants and the resource person. He also shared the objectives of the lecture series.

Dr. Dadasaheb Salunke, Coordinator, IQAC, delivered an introductory remarks. He said that understanding of international laws with regard to world peace and disarmament is essential in today’s context. He said that as we have laws governing our country so are laws that govern the countries of the world. There is an international court named International Court of Justice at Hague, Netherlands. The UN also passes certain charters and guidelines for the world peace.

While elaborating the concept of world peace, he said that it is important to know about the Cold War that took place between Russia and America. This kind of polarization is a byproduct of the World War.

He further said that ‘Disarmament’ which means reducing or abolishing the weapons of mass destruction has gained currency after the horror of Hiroshima and Nagasaki August 1945. He added that the proliferation of weapons especially the nuclear weapons poses a threat to human existence. The world community feels the need to stop this kind of proliferation. The effort aims at stopping the World War III.

He also explained the Treaty of Non-Proliferation of Nuclear Weapons and Comprehensive Test Ban Treaty (CTBT) that aims at prohibition of nuclear weapon test. It opened in September 1996. So far it has been signed by 185 nations and ratified by 170 countries is a step towards peaceful world. He also referred to the autocratic countries that carry out such tests and threaten the neighbors. He cited the example of North Korea which engaged in a series of nuclear tests in the recent years in order to create tension in the region. Dr. Vijaykumar Parsode, Assistant Profesor, Vinayakrao Patil Mahavidyalaya, proposed the vote of thanks.
