Lecture on 'Vision and Mission of Vinayakrao Patil Mahavidyalaya'

14/12/2017

In order to sensitize the administrative and other supportive staff with the vision and mission of the institute, a lecture was organized by the Code of Conduct Cell on 14/12/2017. It was held at 11:30 am in Swami Vivekananda Auditorium. Mr. Vilas Autade, Library Attendant, welcomed the resource person with a bouquet.

Dr. S. D. Pardeshi, Assistant Professor, Department of Chemistry, displayed the Vision and Mission of Marathwada Shikshan Prasarak Mandal and that of Vinayakrao Patil Mahavidyalaya, Vaijapur and explained them in detail. He said that the vision of MSP Mandal is 'Let all people proceed from darkness to light' meaning eliminating the darkness of ignorance from the lives of people and help them advance towards knowledge for development. Appropriately, it strives to accomplish the mission of providing quality education to the people of Marathwada. He said that Vinayakrao Patil Mahavidyalaya, has a very sublime vision: "Chala Kalpataruhe Arav, Chetna Chintamaniche Gaon" are the lines from the famous Marathi spiritual treatise entitled *Dnyaneshwari*. They occur in chapter number eighteen. The saint prays to the Almighty for the wish fulfillment of all the creatures of the Universe. The institute looks forward to fulfilling the aspirations of the students through education. It aims at providing higher education to the backward and rural youth and to make them self-reliant and disciplined.

In the second part of the lecture he advised the participants to ponder over the vision and mission of the institute. He also pointed out that the organization is larger than the individual and therefore we have to keep in our mind the mission. The college has been rendering service to the rural society and therefore we have to think of the people. We live in a drought prone region and have a different set of problems. Our students come from 155 villages and so we need to be very kind to them. If we follow the mission in our life we can be worthy employees of the institutes. He called upon the participants to integrate the vision and mission into the activities. At the end Mr. Ganesh Sathe proposed the vote of thanks.
