## UNDERTAKING

Prior to 2016-17, the sanctioned amount with regard to various Govt. scholarship was deposited in the institutional account. Then as per the sanctioned list, the institution later deposited the amount in the account numbers of the concerned students. However, now the institute submits the applications received from the students on the online portal. Under the DBT system, the sanctioned amount is directly deposited in the student bank account. The institute does not receive any acknowledgement in this regard. Therefore, we have submitted the available data like the student list and available amounts. I kindly request you to consider the same under the metric 5.1.1 and oblige.
