## College website update notice

Date: 04/10/2023

All heads of senior college (*granted and non-granted*) are informed that departmental webpages should be updated periodically as needed. If you wish to update the website, please follow the guidelines that have been defined. For any updates to the departmental webpage, you should complete the attached form with the concerned signature and submit it to the website committee. The website committee will not be responsible for updating the department's webpage if the department's webpage is not updated within a specified period of time.

- Email for data submission [vpcollegeweb@gmail.com](mailto:vpcollegeweb@gmail.com)
- *College website content update form is attached herewith*
